## Family Resource Network

### Our Mission

*...is to create a network of advocates committed to the developing grassroots movements to mobilize, engage, and empower the community for positive change.*

### Community Relations Network

A meeting to discuss upcoming events, community needs, and available resources throughout Brooke and Hancock counties. Join us the first Tuesday, monthly at noon.

### BHFRN Programs, Coalitions, & Committees

ASAP is dedicated to providing adults and youth with the support needed to take a stand against drugs, tobacco, and alcohol within the Brooke and Hancock communities. The coalition provides prevention programming through presentations, promotes a drug and alcohol free lifestyle among young people and adults, and provides prevention information and outreach in the community.

**BROOKE HANCOCK**

**FAMILY RESOURCE CENTER**

Our Family Resource Centers (FRC) is a safe place for families to receive materials on their children's development and parenting skills, as well as receive information and referrals to other community agencies and services as needed. Our FRC offers support and coordination of services to address the needs of the community.

The Special Needs committee provides networking and learning opportunities on disability issues. This group of advocates has been the voice for people with disabilities for more than 16 years; striving to bring public awareness and education to our community. This committee is active in creating recreational activities for needed socialization.

**Parents as Teachers™**  
*Affiliate*

**WV Northern Panhandle Parents as Teachers**

The WV Northern Panhandle Parents as Teachers (PAT) is an early childhood family support and parent education home-visiting model. Families may enroll in Parents as Teachers beginning with pregnancy and may remain in the program until the child enters kindergarten.

### Concerned Citizens

The Concerned Citizens work together on a variety of issues of homelessness and support other people of need through our community.

### Top of WV Community Resource Day

This committee meets to plan an annual event that brings a variety of resources and information to the community in one localized venue.

*For more information about any of the BHFRN programs, coalitions, and committees, please visit our website at [www.brookehancockfrn.org](http://www.brookehancockfrn.org) or call us at (304) 748-7850. Thank you*
